All,

I like to share information regarding an incident that threaten the safety of an ECI at OHS Skid so that all employees who work at OHS Skid Row can be aware and remain safe.

On 05/09/2018, ECI's Sergio Arvayo and Mark Trujillo performed a clean-up at OHS Skid Row on San Pedro St between 5th St and 6th St. Sergio advised a individual, later identified by LAPD as Bruce Naivi, who was in the clean-up zone that he had 30 minutes to gather his property and move out of the clean-up zone. The individual became upset and began to curse at Sergio and failed to remove his items within his allotted time. LAPD then escorted Mr. Naivi outside the clean-up and Sergio and Mark began to process his encampment.

While traveling on San Pedro St at the intersection of 6th St, Mr. Naivi, ran in front of Sergio's and Mark's vehicle, jumped on top of the hood, then approached the passenger side window and attempted to open the door while banging on the window and stating "Where the cops at now?! What you gonna do!". Mr. Naivi then began to throw items at the vehicle while yelling at Sergio and Mark. LAPD then arrived and removed Mr. Naivi from the area.

Sergio and Mark then proceeded to San Pedro St between 6th St and 7th St to continue the clean-up. Mr. Naivi and another unidentified individual then ran towards Segio in attempt to assault him. An LAPD Officer was able to stop the two before the attack and fend them off before back-up arrived. Mr. Naivi was then taken out of the clean-up area. Mr. Naivi was then was seen yelling at Sergio stating "I'm going to get you!".

Then again on 05/24/2018 Segio and Mark were performing OHS Skid Row clean-up at 6th St between Wall St and San Julian St when Mr. Naivi attempted to cross through the LAPD hard closure barricade before LAPD Officers stopped Mr. Naivi. Mr. Naivi then yelled "I was waiting for you yesterday! I'm going to get you".

Following the incident Solids and WPP staff have seen Mr. Naivi each morning at the tailgate safety meeting on Maple St and 5th St looking for Sergio.

Now.... LAPD is reporting that Mr. Bruce Naivi is wanted for assault with a deadly weapon after he approached a victim telling him to leave the location. When the victim refused Mr. Naivi stabbed the victim in the neck. See the attached document.

So.... Everyone, be careful out there. This job is dangerous. Be vigilant and look out for each other.

Stay Safe!
